

FIVE SEASONS IN-HOUSE CLASSICAL ENSEMBLES

Our numerous in-house quartets, trios and duos consist of professional freelance and orchestral musicians, all of whom are highly qualified and active and experienced in the music and entertainment industries of South Africa. Our musicians are able to create a sophisticated atmosphere with stylish background music, or take centre stage with a world class chamber music performance. To be able to provide our clients with the perfect sound for their occasion, our ensembles are versatile enough to be able to perform styles other than just strictly Classical - as far as the instrumentation allows - and can therefore be an integral part of theme / period evenings, etc.

Instrumentation Options:

Our most commonly booked ensembles are:

QUARTETS

Traditional String Quartet: Violin 1, Violin 2, Viola and Cello

Flute and string quartet ("Flute Quartet"): Flute, Violin, Viola and Cello

A string quartet with a difference! The combination of flute with the strings creates a symphonic sound. While this "flute quartet" can play the traditional string quartet repertoire, it also greatly expands the repertoire possibilities of the traditional quartet, allowing more effective versions of symphonic, Jazz, tango and Latin music.

TRIOS

String Trio: Violin 1, Violin 2 / Viola and Cello

Flute and string Trio: Flute, Violin and Cello

DUOS

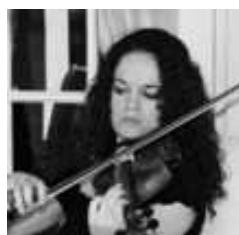

String Duo: Violin and Cello OR 2 Violins

Flute and string Duo: Flute and Violin OR Cello

Harp Duo: Harp and Violin OR Flute

VARIOUS OTHER PERMUTATIONS and ensemble types may be possible. This includes Wind Ensembles, Brass Ensembles, and Chamber Ensembles. Please contact us with your specific requirements.

We are also able to offer a variety of **SOLOISTS** such as violinists, flutists, cellists, accordionists, guitarists, harpists, etc. Please contact us with your specific requirements.
