

## AFRICAN FACE PAINTERS

Create that authentic Out of Africa experience by booking traditional African face painters to welcome your guests and set the mood for your event.

The story of the Face Painters has its roots in the Eastern Cape, old Transkei and Ciskei, where all females would wear Imibhaco full colour with their faces painted for any African Wedding or cultural gathering. Guests (local and foreign!) love "getting their African faces on" in celebration, resulting in a colourful group of guests which adds to the festive atmosphere of the event!
